Neighborhood BBQ

May 31, 2016 we hosted our first neighborhood BBQ. We wanted to be able to make our presence known in the community and meet our neighbors and let them have the opportunity to meet us.

We posted an open invitation as well as verbally invited local officials, neighbors, and land owners. We had approximately 70 guests and the weather was beautiful. CEO James Archer and wife Lois were able to come and join us.

We paid tribute to our lost employee/family member Carlos Roa, his wife Barbara and son were able to be with us in remembering him.

We had several local neighbors, land owners, and the local volunteer fire department join us.

Thanks to all
